Hotel Mons, Hotel & Congress Centre Ljubljana ***

www.hotel.mons.si

The Mons Hotel & Congress Centre Ljubljana is a newly opened 4-star hotel in a natural setting on the western Ljubljana bypass, 10 minutes from the city centre.

The hotel is the creation of Boris Podrecca, one of the most prominent architects in Europe, and Miha Dobrina, a renowned Slovenian architect of the younger generation. Proud to be described as the first 'designer' hotel in the country, it delights guests with its modern and elegant architecture, numerous glass surfaces, selected furniture, a

relaxed ambience, as well as the hospitality and professionalism of its staff.

The business hotel has 111 modern, air-conditioned and well-furnished guestrooms and three suites. The congress centre comprises four halls, which may be combined to accommodate up to 420 delegates and are equipped with the latest technical conveniences. A professional team is on hand to help you with the organisation of your event.

The hotel has two restaurants. The a la carte restaurant offers selected Slovenian and international cuisine, whereas the buffet restaurant is designed as a food market where guests may create their own dish from the fresh ingredients on offer, which is then prepared by the chefs according to the guests' wishes. The desserts from the hotel's own patisserie and bakery may also be taken away. The facilities also include a gymnasium, a sauna, billiard room, Zen meditation, a smaller library with local and international literature, an outlet of the Kompas travel agency, footpaths in the nearby forest, bicycle hire, free-of-charge transfers to the centre of Ljubljana, transfers to and from Ljubljana Airport, excursions and the organisation of wedding receptions.

Grand Hotel Union ****

www.gh-union.si

The Grand Hotel Union is a fine Art Nouveau building, constructed in 1905. It has a long tradition of hosting successful events and prominent guests and boasts a premier location in the very heart of Ljubljana, only a stone's throw from the Old Town and less than 30 minutes from the international airport. The Grand Hotel Union has long been one of the most beautiful and elegant hotels in the region and its Union Hall was well-known as a notable meeting point for those involved in cultural and artistic life in Ljubljana as early as the beginning of the last century.

The hotel was completely renovated and refurbished in 1998 and has 327 comfortable rooms. In addition, it is the largest hotel convention centre in the capital of Slovenia, and is justifiably proud of its stunning main hall, reopened after renovation in 2002, which may accommodate up to 800 delegates. Additional space is provided in as many as 20 other halls and rooms for 40 to 270 guests, which are suitable for corporate, association and governmental meetings, cultural events and diverse social gatherings. State-of-the-art technical equipment is available, as well as friendly and professional staff to ensure the success of your event.

The hotel provides outstanding cuisine and has an excellent offer for receptions, business lunches, gala dinners and other important functions.

Hotel facilities further include an indoor pool, a sauna, a gymnasium, a massage parlour and a garage.

The Grand Hotel Union is proud to belong to a group of high-quality hotels which also incorporates the 4* Grand Hotel Union Garni and the 5* Lev Hotel. The Grand Hotel Union Garni is only 300 metres away and features 74 rooms and 3 meeting rooms; the Lev Hotel is only 800 metres away and has 173 rooms and 5 meeting rooms. The Grand Hotel Union Group offers a total of 574 hotel rooms and 29 meeting rooms.

Terme Čatež

www.terme-catez.si

Terme Čatež is Slovenia's largest health resort and the second largest tourist centre in the country. The company encompasses six hotels (Terme****, Toplice****, Čatež****, Mokrice****, Žusterna*** and Koper***), offering 1,400 beds, as well as 210 products for health and relaxation, business meetings and active holidays. The hotels with the largest capacities are in Čatež, in eastern Slovenia close to the Croatian border, while the company also manages two hotels in Koper on the Slovenian coast and the Mokrice castle hotel in the vicinity of Čatež. Terme Čatež, The Mokrice and the Koper Hotels also feature conference facilities.

Terme Čatež has the largest water area of any resort in central Europe. The Summer Thermal Riviera has more than 10,000 sq. m of water in 10 swimming pools, and a

Winter Thermal Riviera with 1,800 sq. m of indoor pools. In addition, the Aquapark of the Žusterna Hotel in Koper is the largest water park on the Adriatic coast, featuring 1,200 sq. m of pools. The offer is complemented by three wellness centres, two in Čatež and one in Koper, with a choice of ten different massages, Roman-Irish baths, a Health Centre with 43 different therapies and the largest sauna park in Slovenia, with 8 different saunas.

Terme Čatež, 100 km from Ljubljana Airport and 30 km from Zagreb Airport, has been a popular setting for business meetings for many years. Conferences and congresses may be organised in the peaceful and relaxing ambience of the health resort and the water park. The resort's modern congress centre caters for up to 900 guests, and there are four function rooms for 20 – 200 at the 4-star Terme Hotel. Additional accommodation facilities include the 4-star Toplice and the 3-star Čatež Hotels. The resort is proud of the increasing number of events being held here and the personal attention provided by its expert staff. After a strenuous working day, the participants may relax playing golf on the course at the Mokrice Castle, visit the sauna park, the Wellness Centre or the Winter or Summer Thermal Riviervas.

Technical equipment, professional support and a selected culinary offer, from coffee breaks to business lunches and dinners as well as banquets are also provided.

Kobilarna Lipica

www.lipica.org

The Lipica stud farm is famous as the original home of the Lipizzaner white horses, and is set in the wonderfully green Karst region of Slovenia. The farm organises performances by the horses from the classical riding school, and riding lessons and carriage rides are also popular attractions. The Maestoso Hotel in the centre of the stud farm has been recently refurbished and features an indoor swimming pool, sunbathing terrace & sauna

and a casino. It has 59 attractive suite rooms and 7 suites, as well as 2 conference halls, the larger of which can accommodate up to 250 participants, partitionable into 2 smaller rooms. Moreover, there are 2 smaller meeting rooms for up to 20 participants. The catering facilities of the Hotel Maestoso can also be included in your conference package.

Turizem Kras

The world-famous Postojna cave is one of the most popular tourist attractions in this part of Europe, and 'Jamski Dvorec' (the Cave Mansion) is a fascinating setting for a memorable business meeting, reception, seminar, conference, cultural event, concert or a culinary experience. The mansion is on a platform at the cave entrance, which is an event venue itself.

Six rooms are available at this prestigious venue, the largest of which can hold up to 300 guests (in theatre format), and the smallest up to 24. The mansion is home to excellent cuisine and the offer includes award winning medieval-style dinners that can be organized anywhere in the country. The nearby Hotel Jama provides a good accommodation option. The spectacular environment of Postojna Cave and Predjama Castle offers possibilities for customized one-off events of various kinds.

Perla, Casinò & Hotel

The Hit Group ranks among the largest entertainment providers in Europe. In only 20 years, it has developed from a small F&B company into an advanced gaming and tourist group, which tries to serve its guests in the best way possible and fulfil all their wishes, offering them high-quality leisure services. The Group looks for

interesting challenges, especially in European markets, and with its innovative approach it represents a considerable share of the gaming, entertainment and tourism sector.

Sava Hoteli Bled

The Sava Hoteli Bled is a group of six hotels of different categories and characters, all set in the enchanting location of Lake Bled in north-western Slovenia. The resort, just a 30 minute drive from Ljubljana Airport, is a popular setting for meetings of all sizes up to 500, as well as being an ideal base for interesting excursions and offering plentiful possibilities for incentives due to its position at the edge of Slovenia's only national park.

Organisers of business events may select from a wide choice of venues, including the luxurious 1930's-style Grand Hotel Toplice, and the modern Golf and Park hotels, featuring state-of-the-art conference and wellness facilities.

The Golf Hotel offers the largest hotel conference hall in Bled, having a capacity of 350 participants theatre-style. This is followed by the Grand Hall of the Grand Hotel Toplice, while the largest hall of the Park Hotel may accommodate up to 120.

Brdo

www.brdo.si

The Brdo estate is renowned by the organization of the business meetings at the highest state level, prime congresses and conferences, formal and informal solemnities, and other luxurious events. Our guests are convinced time after time by the exceptional location and the high quality of our service.

The estate with absorbing history lies close to the Slovenian capital and only a few kilometres from the international airport. With almost 500 ha of diverse natural beauties at the treshold of the Alps it promises a tranquil retreat, however near the main traffic routes.

Your expectations of excellence are always fulfilled at the renaissance Brdo Castle, in the new congress centre, and in the hotel with conference capacities, wellness centre and restaurant. You may relax at the horse-riding centre and golf course, or enjoy any other services. All this is assured by the natural and cultural inheritance, as well as by the team of prime expertes on the highest state protocol level. There is a new congress centre, the heart of the Slovenian presidency of The European Union in 2008, amidst the park of thousands vegetal and animal species.

The estate with all its belonging facilities including the Strmol Castle, the Villa Podrožnik and the Slovenian Government Palace is led by the State protocol services of the Republic of Slovenia.

GR – Ljubljana Exhibition and Convention Centre

The largest fair, congress and event centre in Ljubljana, the Ljubljana Exhibition and Convention Centre, is opening its doors to the renovated premises in 2007 to all those seeing a challenge in the intertwinement of tradition, elegance and contemporary know-how of business tourism services. The capacities of the halls and other premises allow Ljubljana Exhibition and Convention Centre to be transformed into the largest Slovene fairground or into a congress or events venue.

Ljubljana Exhibition and Convention Centre advantages:

- **SIZE:** largest and central multifunctional congress and events centre in Slovenia
- **RENEWED PREMISES:** fully renewed and excellently technically equipped premises
- **ACCESSIBILITY:** easily accessible by all varieties of guests (plane, train, automobile)
- **PARTNERSHIP NETWORK:** network of superior partners able to satisfy all client needs
- **QUALITY:** superior quality of services
- **ACCOMMODATION:** variegated hotel capacities in close proximity
- **FLEXIBILITY:** spatial, schedule and organisational flexibility

Ljubljana Exhibition and Convention centre offers 14 to 17 multifunctional halls and conference rooms equipped with the state-of-the-art technical equipment. The centre has the largest congress hall in Slovenia with a maximum capacity of 2,200 participants and the largest banquet hall in Slovenia with a capacity of accommodating up to 1,200 participants.
